

Green Building: Alternatives to Polyvinyl Chloride (PVC) Building Materials for Health Care

Products detailed in this publication include:

Acoustical Ceiling Tiles (09 51 23)

Carpet (09 68 00)

Furniture (12 50 00)

Privacy and Cubicle Curtains (10 21 23)

Resilient Flooring (09 65 00)

Shower Curtains (12 44 16)

Upholstery (12 52 70)

Wall Coverings (09 72 00)

Wall & Corner Guard (incl hand rails) (10 26 00, 05 52 00, & 06 43 13)

Window Treatments (12 20 00)

Health Care Without Harm and the Healthy Building Network do not endorse any of these products, have not tested them for safety or efficacy, and do not take responsibility for the accuracy of the information or product performance. Listing here is based solely on information provided by the manufacturer or otherwise in the public domain. This table is a work-in-progress. GREEN BUILDING: ALTERNATIVES TO POLYVINYL CHLORIDE (PVC) BUILDING MATERIALS FOR HEALTH CARE (PAGE 1 OF 11)

Products (CSI Division)	Manufacturer/ brand	Telephone #	Webpage	PVC-Free Brand products	Material	IAQ ¹ Testing or Certification	HFR ² -Free	PFC ³ -Free	Anti-microbial Free	Heavy Metal Free	Comments
Acoustical Ceiling Tiles (09 51 23)	PVC is primarily used solely as a scrubbable finish layer on some ceiling tile products. Request PVC-free scrubbable finishes, which are available from most manufacturers.										
Carpet (09 68 00)	PVC is frequently used as a backing on commercial grade carpets. Some manufacturers have both PVC-backed and PVC-free-backed carpet lines. (*) Most commercial products include PFCs and other fluorochemicals as stain resistant treatments in the fibers and not in the carpet backing.										
	Bolyu Contract	800.451.1250	www.bolyu.com	Nexterra backing	Recycled polyethylene terephthalate (PET) & glass carpet backing	Yes - GLP	Yes	* (see note above)	Yes	Yes	Tile. 85% post-consumer recycled content (35% PET bottles; 50% glass). Contains about 10% petroleum.
	Bolyu Contract	800.451.1250	www.bolyu.com	iLoc backing system	Woven primary carpet backing; anti-microbial pre-coat, laminate coating, woven stabilizer	Yes - GLP	Yes	* (see note above)	Yes	Yes	Broadloom. Seven to 20% post-consumer recycled content. Company purchases 110% wind power to run plants.
	Construction Specialties	908.236.0800	www.c-sgroup.com	non-PVC backed carpet tile	Composite rubber or bitumen backing	No	Yes	* (see note above)	Yes	Yes	Tile. Introduced to market in early 2008.
	Fortune Contract	800.359.4508	www.fortunecarpet.com	EnviroCel and BioCel backing	Polyurethane laminate and foam backing using soy-based polyols, with recycled content.	Yes - GLP	Yes	* (see note above)	No	Yes	Fortune sells broadloom with EnviroCel or BioCel backing, some include attached cushion. These backings are manufactured by Universal Textile Technologies. Recycled content (post-consumer; post-industrial): BioCel laminate and foam (7 to 12%; 50 to 55%); EnviroCel laminate (0 to 10%; 49%); EnviroCel Cushion EC-3 (44%; 30%); EnviroCel Cushion Plus ECP-4 (7%; 38%).
	Interface Flor Commercial	800.336.0225	www.interfaceflorcommercial.com	NexStep	Carpet system with nylon face fiber and polyurethane carpet backing	Yes - GLP, SCG	Complete information n/a as of 3/31/08	* (see note above)	Complete information n/a as of 3/31/08	Complete information n/a as of 3/31/08	
	Milliken	800.528.8453	www.milliken地毯.com	Comfort Plus	Polyurethane carpet backing	Yes - GLP, CAP, SCP	PBDE-free	* (see note above)	No	Yes	Tile - uses small amount of halogen in pre-coat for the backing. Does not use brominated flame retardants. Comfort Plus ESP has up to 25% post-consumer recycled content.

GREEN BUILDING: ALTERNATIVES TO POLYVINYL CHLORIDE (PVC) BUILDING MATERIALS FOR HEALTH CARE (PAGE 2 OF 11)

Products (CSI Division)	Manufacturer/ brand	Telephone #	Webpage	PVC-Free Brand products	Material	IAQ ¹ Testing or Certification	HFR ² -Free	PFC ³ -Free	Anti-microbial Free	Heavy Metal Free	Comments
Carpet (cont'd) (09 68 00)	Mohawk / Lees Carpet	800.523.5647	www.leescarpet.com	Unibond, Unibond RE, and Unibond U2 backing	Polypropylene/ethylene vinyl acetate (EVA) backing	Yes - GLP, SCG (see notes)	Yes	* (see note above)	Yes	No (traces)	Broadloom - polypropylene and EVA are inherently flame resistant and meet the Class 1 standards. Unibond RE contains 20% post-consumer recycled content, and is SCP and CAP. Unibond contains no recycled content and is SCG. Unibond U2 contains 18% post-industrial recycled content and is not certified.
	Mohawk	800.241.4494	www.mohawkind.com	Action Bac (standard backing)	Polypropylene carpet backing	Yes - GLP	Yes	* (see note above)	Yes	No (traces)	Broadloom. Contains 7% post-consumer recycled content. Some non-standard backings contain anti-microbials.
	Mohawk	800.241.4494	www.mohawkind.com	Encycle (plain) and Encycle RE	Ethylene vinyl acetate (EVA) carpet backing	Yes - GLP (see notes)	Yes	* (see note above)	Yes	No (traces)	Tile. On market for less than a year. Encycle (plain) non-PVC tile includes 37% post-industrial recycled content. Encycle RE includes 10% post-consumer, and 25% post-industrial recycled content. Encycle RE is also CAG.
	Mohawk	800.241.4496	www.mohawkind.com	UPS RE and UPS RE Bloc carpet backing	Ethylene vinyl acetate (EVA) carpet backing	Yes - GLP, SCP, CAP	Yes	* (see note above)	Yes	No (traces)	Broadloom. UPS RE contains 15% post-consumer, 4% post-industrial recycled content. UPS RE Bloc contains 12% post-consumer, 3% post-industrial recycled content.
	Shaw Contract Group	800.441.7429	www.shawcontract.com	Eco Solution fiber & EcoWorx carpet backing	Nylon face fiber with thermoplastic polyolefin backing	Yes - GLP, CAG, SCG	Yes	* (see note above)	Yes	No	Tile & 6 foot roll; broadloom. MDBC Silver certification.
	Tandus	800.248.2878	www.tandus.com	ethos™ backing (C&A brand)	Recycled polyvinyl butryal (PVB) carpet backing	Yes - GLP, CAP, SCP	Yes	* (see note above)	Yes	Yes	Six foot roll.
	Tandus	800.248.2878	www.tandus.com	LifeLong backing system (Monterey, Crossley brand)	Nylon face with high-performance acrylic backing	Yes - GLP	Yes	* (see note above)	Yes	Yes	Broadloom. Backing contains 65% pre-consumer recycled content. Total content is 23% to 37% pre-consumer recycled.
Furniture (12 50 00)	PVC is frequently used in furniture, as an upholstery fabric as well as in the plastic components. The manufacturers of office furniture listed here are making efforts to eliminate PVC from their furniture lines. Only limited lines are available completely PVC-free at this time. Note: if special specifications require higher fire safety, HFRs might be used in the products.										
	Herman Miller	888.443.4357	www.hermanmiller.com	Mirra, Caper, Celle, Foray chairs	Mesh with non-PVC parts	Yes - GG	Yes	Yes	Yes	Yes	Chairs, each with recycled content, as follows: Mirra - 31% post-consumer, 11% post-industrial; Celle - 28% post-consumer, 5% post-industrial; Caper - 15% post-consumer, 6% post-industrial; and, Foray - 28% post-consumer, 21% post-industrial.

Key: CA 01350 - California Department of Public Health Section 01350 Indoor Air Specifications; CAG - California Gold; CAP - California Platinum; CHPS - the Collaborative for High Performance Schools; EU - European tested, not tested in North America; FS - RFCI FloorScore; GG - Green Guard Indoor Air Quality; GGCS - Green Guard Children & Schools; GLP - CRI Green Label Plus; GS - Green Seal; IAG - SCS Indoor Advantage Gold; SCG - SCS Sustainable Choice Gold; SCP - SCS Sustainable Choice Platinum

Products (CSI Division)	Manufacturer/ brand	Telephone #	Webpage	PVC-Free Brand products	Material	IAQ ¹ Testing or Certification	HFR ² -Free	PFC ³ -Free	Anti-microbial Free	Heavy Metal Free	Comments	
Privacy and Cubicle Curtains (10 21 23)	The production of PVC privacy and cubicle curtains for health care facilities has declined in recent years. Health care facilities predominantly purchase curtains made of Avora® and Trevira, Both are made from polyester fibers embedded with phosphorous flame retardants. Purchasers should request curtains free of PFCs and antimicrobials.											
Resilient Flooring (09 65 00)	Allstate Rubber	718-526-7890	www.allstaterubber.com	Frei Floor. Also named LifeLine.	Calcium carbonate (72%), thermoplastic polymer (25%), titanium dioxide and additional pigments (2%), acrylic polymer ionomer wear layer (<1%)	No	Yes	Yes	Yes	Yes	Tile. Third party testing found FreiFloor "predicted to meet Greenguard emissions criteria." Contains 36% post-industrial recycled content. FreiFloor is manufactured by Upofloor Oy in Finland.	
	Allstate Rubber	718-526-7890	www.allstaterubber.com	Au Natural	100% plantation-grown virgin rubber	No	Yes	Yes	Yes	Yes	Au Natural flooring expected to be introduced in April 2008.	
	Amtico	404.267.1900	www.stratica.com	Stratica	Wear layer is Surlyn® (ethylene/methacrylic acid copolymer) wear layer. Backing from mineral-filled ethylene copolymer.	Yes - CHPS and FS	Yes	Yes	None in product; added to some adhesives	Yes	Tile and plank	
	Architectural Flooring Systems	847.394.3944	www.4afs.com	CS Line. Also named LifeLine CS.	Calcium carbonate (72%), thermoplastic polymer (2-propenoic acid, 2-methyl-, polymer with ethene, zinc salt, 25%), titanium dioxide (2%), with acrylic polymer ionomer wear layer (<1%)	No	Yes	Yes	Yes	Yes	Manufactured in Finland by Upofloor Oy. Contains 25% post-industrial recycled content. Manufacturer states that this product is emission free.	
	Armstrong	800.233.3823	www.armstrong.com	Migrations	Contains "patent-pending BioStride™ polymer, which is made with rapidly renewable ingredients" grown in the U.S. Currently corn-based product.	Yes - FS, CA 01350	Yes	Yes	Yes	Yes	Yes	Manufacturing facility recently opened in Jackson, Mississippi.
	Armstrong	800.233.3823	www.armstrong.com	Marmorette™, Linorette™, Colorette™, Uni Walton™, and Granette™	Natural linoleum (linseed oil, wood powder and pigments)	Yes - CHPS and FS	Yes	Yes	Yes	Yes	Yes	Tile
