Healthier Hospitals Compliant Products

The story of Thos. Moser furniture begins in the forest where we selectively harvest sustainable, North American hardwood to build furniture that is made to last for generations. Our hardwood is sourced primarily from family owned suppliers who are certified by either the Forest Stewardship Council or the Sustainable Forestry Initiative.

When specified, Thos. Moser furniture meets the Healthier Hospitals healthy interiors goal and is free of:

- Formaldehyde
- Perfluorinated Compounds
- Polyvinyl Chloride (PVC)
- Antimicrobial Compounds
- Flame Retardants

The goal of this effort is to remove these chemicals from environments where people are most physically vulnerable.

Thos. Moser is committed to building furniture of lasting quality that meets your specific project needs. For a more extensive product listing or for custom products that meet the Healthier Hospitals Healthy Interiors goal, please contact us at 800.708.9710.

Furniture included here meets the Healthy Interiors goal of the Safer Chemicals Challenge with specified according to the manufacturer. Practice Greenhealth does not verify this information.
Thos. Moser is not responsible for contents of Customer’s Own Material (COM).
